

Green. Building. Solutions.

→ **Summer University Vienna**
22 July - 12 August 2012

First hand ecological knowledge and engineering expertise bundled in a three-week program in the capital of energy efficient building: Vienna. Think sustainable, take care of your future - now.

Apply until **15 April 2012** at
www.summer-university.com

Universität für Bodenkultur Wien
 University of Natural Resources
 and Life Sciences, Vienna

Organizers

INEX identifies, inspires, educates and empowers change makers for the challenges posed by a globalized world.

OeAD - Housing Office offers passive houses for active students and accommodates 1800 guests in energy efficient student dormitories each year.

Benefits

6 Austrian Universities have pooled their interdisciplinary expertise about green building and set up a three-week academic program interwoven with practical knowledge and cultural exchange.

- **Learn from the best:**
 acquire cutting-edge skills from an Austrian consortium of 6 universities, experts and alliances
- **Best practice at hand:**
 internationally leading competence right in Vienna
- **Try it yourself:**
 enjoy Vienna while living in a passive house
- **Add value to your clients:**
 deliver knowledge and skills for a healthy, cozy and energy efficient living
